CMA PURPOSE STATEMENT *PROMOTING THE EXCELLENCE OF BELT CONVEYING IN SOUTHERN AFRICA*

- To promote high standards of design, quality, manufacture and service in the belt conveyor industry.
- To ensure that high standards of contractual integrity are maintained within the industry.
- To promote the dissemination of information on the latest belt conveyor technology.
- To monitor the development of manufacturers of belt conveyor equipment to enable them to be considered for membership of the Association as and when they attain the required qualifications.
- To participate in the formulation and setting of national and industry standards.
- To work with the users of conveyor equipment to develop the industry in South Africa.
- To promote and foster interest at an academic level in the study and development of conveyor technology.
